

LITTLE ROCK REGIONAL
CHAMBER OF COMMERCE

June 6, 2005

Mr. Stuart Thomas
Assistant Chief of Police
Little Rock Police Department
700 W. Markham
Little Rock, AR 72201

Dear Stuart:

Many thanks for taking time to serve as a presenter for the Leadership Greater Little Rock's session on *Crime & the Criminal Justice System*. We know how busy your schedule is and how inconvenient it is for you to get around with a cast on your leg – so we are particularly grateful for your participation.

We also very much appreciate the LRPD for hosting us at the training facility. Capt. Bewley was a tremendous help, as were the other officers on the premises.

As you know, our goal is always to give the Leadership participants a well-rounded view of each of the topics we cover and participation from community leaders, such as you, is vital to the success of the LGLR program.

Thank you again for your time. It is always a pleasure to have you with us.

Sincerely,

John Fowler, Chair

Elizabeth Small, Curriculum Chair
